## PROFILE SUMMARY

Enthusiastic and motivated Java Full Stack Developer with a strong foundation in software development and a passion for building robust web applications. Proficient in Java, HTML, CSS, JavaScript, and familiar with front-end frameworks such as Bootstrap and React. Equipped with a solid understanding of back-end technologies including Spring Boot. Adept at working with relational databases like SQL.

## EDUCATION

Bachelor of Science in Computer Science (B.Sc. CS), Swami Ramanand Marathwada University Nanded;

**June 2024 – June 2026**

## PROJECTS

### Appointment Booking Hospital System (HTML, CSS, JavaScript, React.js, Java, Spring Boot, Spring Security, SQL)

- Developed a web-based hospital appointment system using java spring boot and react.js, streamlining scheduling for 500+ users and reducing manual errors by 30%.
- Provides a web-based platform with dedicated functionalities for booking, tracking, and managing appointments.
- Enables secure authentication and authorization for users to access different modules.
- Improves data accuracy, reduces manual work, and ensures efficient healthcare management.

### Personal Portfolio Website (HTML, CSS, Bootstrap, JavaScript, React.js)

- Designed for developers and freelancers to showcase their work and achievements.
- Features a clean and interactive interface for better user engagement.
- Supports form submissions, data integration, and dynamic content rendering.
- Built using React and Bootstrap for a modern responsive design.

### Authentication System (HTML, CSS, Bootstrap, JavaScript, React.js, Java, Spring Boot, SQL)

- Implements secure user registration, login, and role-based access control.
- Ensures data protection using encryption and authentication mechanisms.
- Designed to provide a reliable backend structure for various web applications.
- Enhances security and user experience across connected modules.

## SKILLS

- |                      |                                     |
|----------------------|-------------------------------------|
| • <b>Core Skills</b> | C, C++, Java, JavaScript, HTML, CSS |
| • <b>Frameworks</b>  | Spring Boot, Bootstrap              |
| • <b>Database</b>    | MySQL, SQL                          |
| • <b>Tools</b>       | Git, Visual Studio Code             |
| • <b>Library</b>     | React.js                            |

## CERTIFICATION

- Master Full Stack Web Development with Java (*IT-Vedant Education Pvt. Ltd*)
- IBM Core Web
- IBM Java Fundamentals

## ACHIEVEMENTS

- Participated in a school science exhibition and was selected for intercollegiate level.
- Received awards in multiple marathons and extracurricular activities.
